

Hope Village is a non-profit community for children and adults with intellectual and developmental disabilities. Our unique Café was inspired to provide a pleasant lunch for our friends and to offer a valuable training environment for our Villagers.

Our Café is available for birthday parties, bridal and baby showers. Our Gift Shop features ceramics and crafts made by our Villagers as well as spa products that are made at Hope Village. The Village also provides to the public fun-filled ceramics painting parties for children of all ages.

Your patronage is a direct benefit to our Villagers in many ways. We greatly appreciate your visit and hope you enjoy your dining experience.
